At the AGM, an ordinary resolution will be proposed that the Directors be given a general and unconditional mandate to allot and issue further Shares representing up to 20 per cent of the aggregate nominal amount of the share capital of the Company in issue at the date of passing the resolution. In addition, if the resolution for the granting of the Repurchase Mandate is passed, a resolution will be proposed to authorise the Directors to allot and issue Shares up to an amount equal to the aggregate nominal amount of the Shares purchased under the Repurchase Mandate.

As at the Latest Practicable Date, the issued share capital of the Company comprised 2,476,963,794 Shares. Assuming that there is no change in the issued share capital of the Company between the period from the Latest Practicable Date and the date of passing the resolution approving the Issue Mandate, the maximum number of Shares which may be issued pursuant to the Issue Mandate will be 495,392,758 Shares.

GENERAL MANDATE TO REPURCHASE SHARES

At the AGM, an ordinary resolution will also be proposed that the Directors be given a general and unconditional mandate to exercise all powers of the Company to repurchase the Shares subject to the criteria set out in this circular. Under the Repurchase Mandate, the maximum number of Shares that the Company may repurchase shall not exceed such number as represents 10 per cent of the share capital of the Company in issue on the date of the passing of the resolution. The Company's authority is restricted to purchases made on the Stock Exchange and otherwise in accordance with the Listing Rules. An explanatory statement to the Repurchase Mandate is set out in Appendix II to this circular.

This appendix serves as an explanatory statement required under Rule 10.06(1)(b) of the Listing Rules to provide you with the information necessary for your consideration of the Repurchase Mandate.

1. SHARE CAPITAL

On the Latest Practicable Date, there were in issue an aggregate of 2,476,963,794 ordinary Shares of HK\$0.01 each in the Company. Exercise in full of the Repurchase Mandate, on the basis that no further Shares of the Company are issued or repurchased prior to the date of the AGM, would result in up to a maximum of 247,696,379 Shares being repurchased by the Company. The Repurchase Mandate allows the Company to make or agree to make purchases only during the period ending on the earliest of the date of the next annual general meeting, the date by which the next annual general meeting of the Company is required to be held by law or by the Bye-laws (as amended from time to time) or the date upon which such authority is revoked or varied by an ordinary resolution of the Shareholders in a general meeting of the Company.

2. REASON FOR REPURCHASE SHARES

Although the Directors have no present intention of repurchasing any Shares, they consider that the Repurchase Mandate will provide the Company the flexibility to make such repurchase as and when appropriate and is beneficial to the Company. Such repurchases may enhance the Company's net asset value and/or earnings per share. The Directors would only make such purchases in circumstances whereby they consider them to be in the best interests of the Company.

As compared with the financial position of the Company at 31 March 2013 (being the date to which the latest audited financial statements of the Company have been made up), the Directors consider that there might be material adverse impact on the working capital and on the gearing position of the Company in the event that the Repurchase Mandate were exercised in full. No repurchase would be made in circumstances that would have a material adverse impact on the working capital or gearing ratio of the Company.

3. FUNDING OF REPURCHASES

Repurchase of the Shares will be funded entirely from the Company's available cash flow or working capital facilities, and will, in any event, be made out of funds legally available for the repurchase in accordance with the Bye-laws (as amended from time to time) and the applicable laws of Bermuda. Under the laws of Bermuda, the repurchased Shares will be cancelled and the Company's issued share capital will be reduced by the nominal value of those repurchased Shares accordingly. However, the aggregate amount of the Company's authorised share capital will not be reduced.

4. SHARE PRICES

The highest and lowest prices at which the Shares have traded on the Stock Exchange in each of the twelve months preceding the Latest Practicable Date respectively are as follows:

	Share Prices	
	Highest <i>HK\$</i>	Lowest <i>HK\$</i>
2012		
July	0.35	0.25
August	0.35	0.28
September	0.285	0.22
October	0.395	0.197
November	0.36	0.27
December	0.36	0.28
2013		
January	0.35	0.30
February	0.35	0.30
March	0.48	0.30
April	0.47	0.33
May	0.48	0.355
June	0.49	0.30
July (up to the Latest Practicable Date)	0.38	0.29

5. UNDERTAKING OF THE DIRECTORS

The Directors have undertaken to the Stock Exchange to exercise the power of the Company to make repurchases pursuant to the proposed resolution in accordance with the Listing Rules, all applicable laws of Bermuda, and in accordance with the regulations set out in the memorandum of association and Bye-laws (as amended from time to time).

6. DIRECTORS, THEIR ASSOCIATES AND CONNECTED PERSONS

None of the Directors nor, to the best of the knowledge and belief of the Directors having made all reasonable enquiries, any of the associates (as defined in the Listing Rules) of any of the Directors has any present intention, in the event that the Repurchase Mandate is approved by the Shareholders, to sell Shares to the Company.

No connected person of the Company (as defined in the Listing Rules) has notified the Company that he/she has a present intention to sell Shares to the Company nor has he/she undertaken not to sell any of the Shares held by him/her to the Company in the event that the Company is authorised to make repurchases of Shares.

7. EFFECT OF TAKEOVERS CODE

A repurchase of Shares by the Company may result in an increase in the proportionate interests of a substantial shareholder of the Company in the voting rights of the Company, which could give rise to an obligation to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, to the best of the knowledge and belief of the Company, Mr Li Li Xin (“Mr Li”) was deemed to be interested in 1,350,493,014 Shares (representing approximately 54.52% of the total issued share capital) through Shares held by himself beneficially, his spouse and his controlled corporation. Mr Xu Jin (“Mr Xu”) held 253,837,198 Shares (representing approximately 10.25% of the total issued share capital). Mr Li and Mr Xu were the only substantial shareholders of the Company holding more than 5% of the issued share capital of the Company respectively. In the event that the Directors should exercise in full the power to repurchase Shares which is proposed to be granted pursuant to the resolution, the shareholdings of Mr Li and Mr Xu in the Company would be increased to approximately 60.58% and 11.39% of the issued share capital of the Company respectively. Such increase will not trigger any mandatory offer under Rule 26 of the Takeovers Code. The Directors are not aware of any consequences which may arise under the Takeovers Code as a result of any repurchase made under the Repurchase Mandate.

8. SHARE REPURCHASE MADE BY THE COMPANY

In the six months preceding the Latest Practicable Date, no Shares have been repurchased by the Company (whether on the Stock Exchange or otherwise).
